Rock in Rio 2015

by *Eronides Neto*

After Lisbon, Madrid and Las Vegas, the most famous Brazilian music festival is back to Cidade do Rock (City of Rock) celebrating 30 years of its existence.

Sh Rock in Rio 2015

The festival is two weeks long, 7 days of shows. A very special show was prepared to start the celebration of the 30 years of the festival. Local bands and artists who participated in this history were invited for the opening: Dinho Ouro Preto, Paralamas do Sucesso, Erasmo Carlos, Samuel Rosa, Jota Quest, Titans, Blitz, Ivete Sangalo, Frejat and others.

As in all editions, the festival has a line-up that pleases all preferences and ages. This year, artists such as Queen, Metallica, Mötley Crüe, Rod Stewart, Elton John, Seal, Paralamas do Sucesso, System of a Down, Queens Of The Stone Age, Cpm 22, Slipknot, Faith No More, Mastodon, Rihanna, Sam Smith, Lulu Santos, Katy Perry, A-HA, Black City and others will be on the World Stage.

The Sunset Stage, stage dedicated to partnerships between artists and special shows will be the scene of a beautiful Tribute to Cassia Eller and partnerships like Lenin and Projeto Carbono, Baby do Brasil and Pepeu Gomes, Steve Vai and Camerata Florianópolis, Sergio Mendes and Carlinhos Brown, Erasmo Carlos and Ultraje a Rigor and many others.

The electronic tent, which has emerged as an alternative to the predominant rock and pop music, emerged as one of the most exciting stages. In addition, this year it brings some of the most famous DJs and producers, such as Kerri Chandler, Dj Meme, Crookers, Headhunterz, Tropkillaz, Gui Borato, Carl Craig, Dave Clarke, Alok, and Felguk and many others.

The structure of the festival remains the same with two stages (World and Sunset Stages), Rock Street, Street Dance and an Electronic Tent. Waiver held the 25 containers from different parts of the world, including USA and Europe.

For further information about the Line-Up or the Festival, visit www.rockinrio.com/rio.

sh **Cirque Plume**
by *Lucy Carvalho*

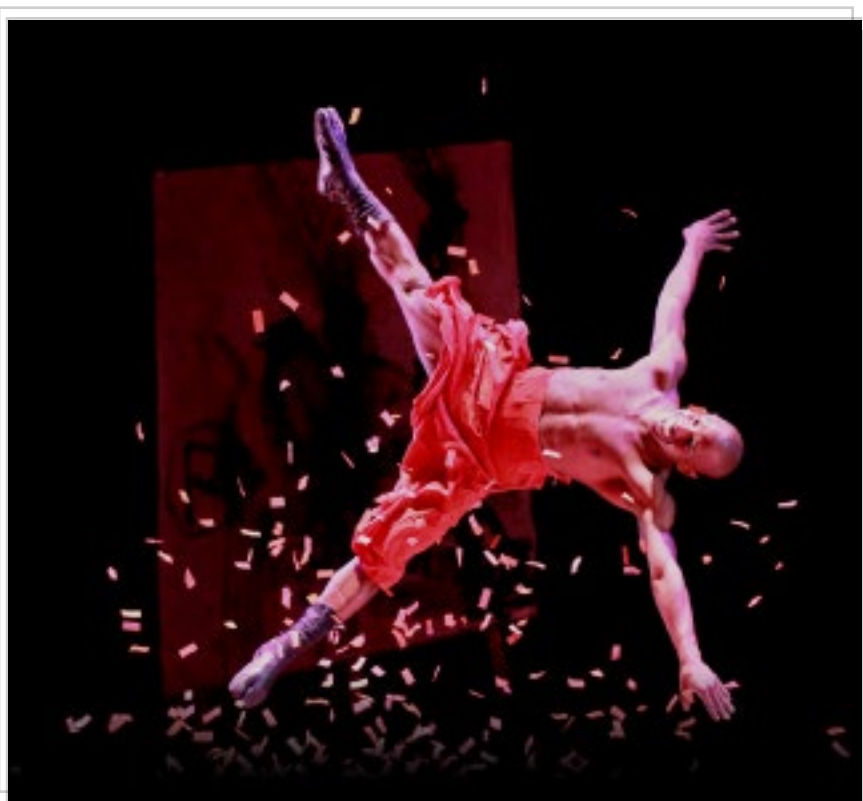

The French Cirque Plume pioneered and are the great representatives of 'nouveau cirque' (the new circus), Cirque Plume, since its beginning in 1984, questioned the boundaries of circus and bet on their own vision, adding some kind of specific dramaturgy in the arena and developing entertaining expressions.

They transformed the way of creating show in the arena. They started pursuing for inspiration in dance, music and theater. They have included new technologies in terms of light, sound and video to their creations. Their artists are not only acrobats, jugglers, contortionists and clowns, but also actors, dancers and performers, besides having solid musical training.

After two successful seasons at Alfa Theater (Plic Ploc in 2006 and L'Atelier du Peintre in 2012), The troupe presents the poetic, funny, physical and very moving show named Tempus Fugit which refers to time. This is the 10th show of the troupe celebrating 30 years of the Cirque Plume. This is their 10th show and celebrates 30 years of Cirque Plume.

Waiver was in charge of the admission of 2 40' containers. The show will be exhibited at Alfa Theater in São Paulo from July 30 to August 2.

sh **Watoto Choir**
by *Lucy Carvalho*

Watoto Children's Choir is a group of African children choirs based in Kampala, Uganda, at Watoto Church (formerly Kampala Pentecostal Church or KPC). Each is composed of about twenty-two children from Uganda. Watoto means "Children" in Swahili language. The choir is made up of children who have lost one or both parents to the AIDS epidemic or to war.[1] The choir has toured Asia, Australia, Brazil, Canada, China, Germany, Israel, The Netherlands, New Zealand, the United Kingdom and the United States with a team of Ugandan adults.

Their performances are a blend of native African rhythms, contemporary gospel music and ethnic dance. They have released several albums including Mambo Sawa and Beautiful Africa. Their unique ministry also comprises Watoto Child Care Ministries, three babies' homes, three primary schools, a high school and a vocational school.

Waiver imported 1,389kg of equipment for the group presentations tour, which will stop by many Pentecostal churches in Brazil and will end at the end of September.

GC 23° RALLY DOS SERTÕES

by Luiz Ferronato

The 23rd edition of Rally dos Sertões will be held from August 1 to August 8 and with a 2,917km path from Goiânia GO to Foz do Iguaçu PR.

July 13, 2015 - Rally dos Sertões is the biggest of its kind in Brazil and the second in the world, but that does not intimidate the pilot Flávio Lunardi and Jean browser Carlos Maiochi. Although they show their respect. It is their first time in the cross-country rally and they are in a countdown to align their truck in the grid and, while their time does not come, they dedicate to technical and physical training in order to get good results in the event.

They have another 18 days to do it. The 23rd Rally dos Sertões will start on August 1 in Goiânia-GO. It will be the 13th time the city hosts the race. From Goiânia, they will go down to the south of Brazil, to the city of Foz do Iguaçu-PR, passing by Rio Verde-GO, Itumbiara-GO, São Simão-GO, Três Lagoas-MS, Euclides da Cunha Paulista - SP and Umuarama-PR.

"There is very little time left before the start. We know that this is a high technical level race and that we will need to overcome our physical and psychological limits. So, besides the mechanical preparation of our Chevrolet S-10, we also have to prepare our fitness and we need to be ready to handle all types of pressure during the race", said Lunardi.

The registration for the event is now closed, and 183 participants will take part in the race. "It will be the a dream come true, being among so many important names of the sport, like William Spinelli, Reinaldo Varela, the Baumgart brothers, among others. We will be in a major school of the sport and we want to be number one. We will strive to have high grades in this lesson ", said Maiochi. They (Lunardi and Maiochi) will represent the FS MotorSport and will dispute the Production T2 category. The pilot Fabio Simsen and the navigator Sidinei Broering are on this team as well.

They will concentrate at International Autodrome Goiania from August 29. For further information on the event, please visit www.sertoos.com .
